O R D E R

IT IS ORDERED that TMC of Lexington ("TMC") shall file the original and ten copies of the following information with the Commission, with a copy to all parties of record. The information requested herein is due no later than 30 days from the date of this Order.

1. Does TMC or any of its affiliates own and/or operate any transmission facilities in any jurisdiction? Explain.

2. Refer to Section II, D.4, Original Page 6. 807 KAR 5:006, Section 11(5), requires that in all cases of refusal or discontinuance of service, except as provided in 807 KAR 5:008, where the cause for refusal or discontinuance of service and all rules and regulations of the utility and the Commission have been complied with, the utility shall promptly render service to the customer or applicant. Provide a revised tariff sheet in compliance.

3. Refer to Section II, F, Section III, A, and Section III, D. Provide revised tariff sheets clarifying that service is interLATA only.

4. Refer to Section II, H.2, Original Page 10. Service cannot be discontinued for non-payment of charges for 900 Service at this time. Provide a revised tariff sheet.

5. Refer to Section II, H.3, Original Page 10. Late payment penalties may be assessed only once to each delinquent monthly billing. Any payment received shall first be applied to the bill for services rendered. Additional penalty charges in subsequent bills shall not be assessed on unpaid penalty charges. Provide a revised tariff sheet.

6. Refer to Section III, B, Original Page 13. Explain the statement that Multi-WATS is available on a presubscribed basis.

7. Refer to Section III, B, Original Page 13. Clarify that no charge will be made for uncompleted calls.

8. Refer to Section III, B.1-5, Original Pages 13-15. Explain why Commercial WATS, Commercial WATS Plus, UltraWATS, and Executive WATS are non-distance sensitive and TMC WATS Plus is distance sensitive.

9. Refer to Section III, D.1-2, Original Page 18. Non-dominant carriers must provide 30 days notice to the Commission and proof that its customers are notified and alternative service is available before a service can be discontinued. Provide a revised tariff sheet.

10. Refer to Section III, E.2, Original Page 21. Provide a revised tariff sheet reflecting the definition of traffic aggregator adopted by the Commission in its March 27, 1991 Order in Administrative Case No. 330.¹

11. Refer to Section III, E, Original Pages 21 and 22. Provide revised tariff sheets reflecting the conditions and restrictions for the provisions of operator-assisted services in compliance with the Commission's March 27, 1991 Order in Administrative Case No. 330.

12. Refer to Section IV, A, Original Page 25. TMC is currently authorized to operate as a WATS reseller. Section IV, A sets out proposed intraLATA and interLATA rates for "TMC Standard Long Distance Service."

(a) Is TMC requesting authority to provide service other than WATS resale and operator-assisted service? Explain.

(b) IntraLATA toll service other than WATS resale is not authorized to be implemented at this time.² Provide revised tariff sheets.

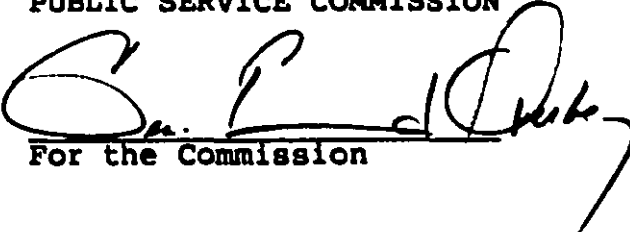

IT IS FURTHER ORDERED that within 30 days from the date of this Order, TMC shall file the original and ten copies of a complete proposed tariff with the above revisions.

¹ Administrative Case No. 330, Policy and Procedures in the Provision of Operator-Assisted Telecommunications Services.

² Administrative Case No. 323, An Inquiry Into IntraLATA Toll Competition, An Appropriate Compensation Scheme for Completion of IntraLATA Calls by Interexchange Carriers, and WATS Jurisdictionality, Order Dated May 6, 1991.

Done at Frankfort, Kentucky, this 23rd day of May, 1991.
